The **EASY WAY** to take accurate one-piece impressions

S. S. WHITE ELASTIC COLLOID

(Formerly called Elastic Compound)

S. S. White Elastic Colloid is the ideal material for one-piece impressions for partial restorations, impressions for immediate denture service and orthodontic cases.

In respect to accuracy and register of minute detail, Elastic Colloid can be compared to plaster. Use it especially when taking impressions for one-piece and assembled cast restorations. You will be impressed with the few, if any, modifications required when these restorations are placed in the mouth.

Elastic Colloid comes to you in hermetically sealed tin tubes. Contains a potent antiseptic.

Elastic Colloid can be used with or without a syringe.

Certified to comply with A.D.A. Specification No. 11.

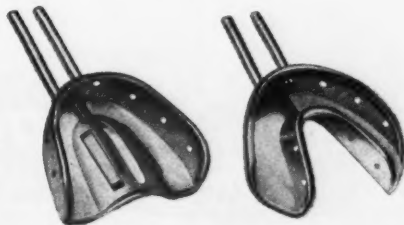

S. S. WHITE WATER COOLED IMPRESSION TRAYS

Invented by Dr. R. L. Hughes—Patented

High water capacity trays which chill colloid impressions quickly and thoroughly, using water at ordinary temperatures. Continuous water tube around the rims cools the impression at the periphery, where you want it cooled, also locks the impression in the tray during removal from the mouth. Lowers have ample tongue room.

Five uppers and five lowers—ample for your impression requirements.

but right-thinking people are unwilling to gamble with its safety. The new tread looks good—the walls are painted . . . but underneath are hidden the strains and faults in the fabric and rubber, caused by previous blowouts or improper inflation. ★ The reclaimed “acrylic” molding powder with its new tread of pink pigment looks almost as good as a reclaimed tire. But what about its safety for dentistry? ★ Special ingredients, oftentimes harmful to mouth tissues, must frequently be added to commercial molding powders to solve some difficult molding problem. That’s easy to understand. ★ And, just as hidden strains and faults may make the reclaimed tire a hazard to safety, so the composition of the reclaimed “acrylic” molding powder may make it unfit for dentistry. ★ And everybody in dentistry agrees that gambling with purity, to save pennies, has no rightful place in dental operations. ★ Specify *Lucitone*—the lifelike denture material made by DuPont specifically for dentistry. Results will justify your confidence.

Palmer House to Be Headquarters for the Society's 1942 Midwinter Meeting

The Palmer House will be the headquarters for the 1942 Midwinter Meeting to be held on February 23, 24, 25 and 26, it is announced by President Glenn E. Cartwright. The officers, acting under authority given by the Board of Directors, selected the Palmer House after a thorough study of all hotels considered adequate for our needs.

SECTION MEETINGS

All nine sections will meet on the third, fourth and club floors and in the club building. Let it be stated here, by way of explanation, that the club floor is equivalent to a fifth floor and is accessible by stair and elevator from the fourth floor. The club building is an independent unit accessible from the third floor. Many will remember this space as

the home of the Interfraternity Club of Chicago which has leased space elsewhere. The lounge and dining room in this area will make excellent section meeting rooms.

GENERAL CLINICS

The general clinics, always a most popular feature of our Midwinter Meetings, will be presented in the Grand Ball Room and the Red Lacquer Room, both being located on the fourth floor and within a few steps of each other.

LIMITED ATTENDANCE CLINICS

The "baby" of the Midwinter Meeting, the Limited Attendance Clinics, is assured adequate facilities. A block of rooms on the seventh floor has been set aside for this feature.

COMMERCIAL EXHIBITION

The exhibition hall, located a short flight down from the fourth floor, will house most of the commercial exhibits. Additional exhibits will be placed in the foyer of the Grand Ball Room. Altogether approximately 2,100 front feet of space will be available for this important activity of the meeting.

SPECIAL EXHIBITS

Dining Room No. 14 located on the club floor will provide adequate space for the scientific exhibits. This exhibit will thus be located adjacent to three important section rooms which should prove a contributing factor in stimulating attendance.

The second floor mezzanine, overlooking the main lobby, will house the health and educational exhibits. Since this area is accessible by stairway from the lobby, it is expected that public view of the exhibits will be facilitated.

SOCIAL EVENTS

The annual Frolic and Dinner-Dance will be held in the Grand Ball Room on Tuesday and Wednesday evenings respectively. Although detailed plans of the supervising committees have yet to be developed, it is expected that the Frolic will be operated along substantially the same lines as last year when two identical performances were presented, one at 7:30 p.m. and the other at 9:30 p.m., all seats being reserved.

The Red Lacquer Room or Empire Room may be utilized for the ladies' entertainment, depending upon the type of function determined upon.

MOTION PICTURES

The 1941 innovation, a complete program of scientific motion pictures, will be presented in some room, of which many are available, every afternoon of the meeting.

HEADQUARTERS ROOMS

By arrangement with the hotel management, a number of rooms have been set aside for headquarters purposes. Committees, fraternities, classes and affiliated groups will be assigned rooms on the seventh floor that compare favorably both as to appointments and accessibility with anything they have occupied heretofore.

REGISTRATION

Ideal registration facilities are available in the main floor of the club building directly accessible from the lobby of the hotel. In addition to registration in this area, visitors may register for Limited Attendance Clinics and purchase tickets for the social events.

MONTHLY MEETINGS

The six regular monthly meetings, beginning in October, will also be held at the Palmer House. The factor of central location is expected to prove an important factor in stimulating attendance at this series of important meetings.

CONCLUSION

Upon the selection of the Palmer House as headquarters for the Midwinter Meeting, Mr. Edward T. Lawless, vice-president and managing director of the Palmer House, made the following statement:

"The Palmer House is honored to be selected as the headquarters of the Midwinter Meeting of the Chicago Dental Society. The members of my staff and myself assure you that we deeply appreciate the choice of this hotel made by your officers.

"I am certain that the honor you have done this institution, for more than seventy years the foremost hotel in Chicago, will be reflected in the service we render the members and guests of your organization during their stay with us,

"NOW IS THE TIME . . ."

For you Golfers and you Non-golfers, too, to
have one last spree before settling down to business
after vacations and such.

The Place to do it is the Medinah Country Club.

The Time to do it is on Wednesday, September 10.

The Reason for doing it is to win one of the valu-
able prizes and to enjoy the good fellowship, both
of which there will be an abundance.

The Fee for it all is only \$3.50 including dinner
or \$2.00 for the dinner.

The Occasion is the Chicago Dental Society Annual
Outing.

NEWS AND ANNOUNCEMENTS

MONTHLY MEETING DATE CHANGED TO OCTOBER 6

The first monthly meeting of the Chicago Dental Society for the new season will be held on Monday, October 6, instead of on October 7 as was previously announced. The meeting will convene at 8:00 p.m. in the Red Lacquer Room of the Palmer House.

Dr. D. Munger Hodgman, Chairman of the Monthly Meeting Program Committee, has acquired the services of George W. Crane, Ph.D., M.D., former professor of psychology at Northwestern University and now syndicate writer of the well-known column, *Test Your Horse Sense*. Dr. Crane will discuss the *Psychological Strategy in Handling People* immediately following the business meeting at 8:00 p.m. Because of the prominence of the speaker, his important topic and the central location of the new meeting place, a large attendance is anticipated and members are, therefore, urged to arrive promptly.

DR. WILLIAM I. McNEIL TO BE HONORED

A testimonial dinner will be held in honor of Dr. William I. McNeil, retiring president of the Chicago Dental Society, at the Palmer House, Saturday evening, September 20, at 7:00.

A cordial invitation is extended to every member of the Chicago Dental Society to attend the banquet. Tickets, which are \$5.00 per plate, may be secured from Dr. Robert J. Wells, Chairman of the Ticket Committee, Hyde Park 4040.

MAKE HOTEL RESERVATIONS FOR A.D.A. MEETING NOW

The Housing Committee of the American Dental Association has asked that all members desiring to attend the meeting in Houston on October 27 to 31 make

their room reservations as early as possible. In requesting accommodations, indicate first, second and third choices in hotel and give details of requirements. Following is a list of the hotels where reservations may be had: Auditorium, Belmont, Brazos, Bristol, Cotton, De George, Freds Hotel, Sam Houston, Hamford Apartments, Houston Club, Lamar, Lamar Annex Hotel, Lee, Macatee, Ben Milam, Milby, Oxford, Park, William Penn, Plaza, Rhodes Apartment, Rice (Headquarters), Roosevelt, Rossonian Apartment, San Jacinto, Stratford, Tennison, Texas State, Travelers, Walee, Warwick and Woodrow.

TWO GOLF OUTINGS IN SEPTEMBER

The Alumni Association of the Chicago College of Dental Surgery will hold its annual outing at Sportsman Golf Club on September 17. There will be all day golf, baseball, horseshoes and other sports. The activity of the day will be concluded by dinner in the evening at which time the awarding of the prizes will take place. The fee for the golfers is \$3.00 and \$2.00 for the non-golfers.

Sportsman Golf Club is located on Dundee Road, a mile and a half west of Waukegan Road and two miles east of Wheeling. Both the North Shore and the Northwestern trains can be used for those who do not drive. A bus at the Northbrook station will take golfers to the club.

The Chicago Dental Society will hold its annual outing one week earlier on September 10. Since these are the last two golf outings scheduled for the season, all members are urged to attend. The Society's affair will be held at the Medinah Country Club where there will be all-day golf, and baseball with a dinner in the Club House in the evening. Good fellowship and prizes will be in abundance.

Fluorine and Dental Caries.—According to Wilson, records of 1,048 Somerset children from 5 to 16 years of age submitted to a statistical study indicate that the change in altered enamel caused by dental fluorosis is one factor preventing the breakdown in structure giving rise to dental caries. Of 122 children with no caries 66 had dental fluorosis, of 130 with one carious tooth the enamel of 28 was mottled, and the figures for 181 with two, 173 with three, 147 with four and 295 with five or more carious teeth were respectively 27, 12, 11 and 11. Thus an increased intake of fluorine before the completion of calcification appears to be associated with a relative immunity to caries. The loss of fluorine by the substitution of a highly milled and demineralized flour among communities formerly using coarsely ground cereal may have a bearing on the spread of dental caries among such peoples. With regard to the durability of mottled teeth, the author found that in England pyorrhea was common among men and women in the poorer rural communities irrespective of the presence of fluorine. When associated with mottled enamel the teeth that loosened were often not decayed. Among 90 rural housewives in Oxfordshire from 21 to 45 years of age, 19 had false teeth and 13 who showed mottled enamel had but a few carious teeth, while the remaining 58 gave no evidence of dental fluorosis but showed a considerable amount of decay.—*Lancet* via *J.A.M.A.*, 117:149 (July 12) 1941.

Success and Failure of Suicides.—"More than 18,000 people a year in this country put an end to their own lives, and probably an additional 100,000 make unsuccessful attempts to kill themselves" says the May issue of the Statistical Bulletin of the Metropolitan Life Insurance Company. More women than men attempt suicide, but three times as many men as women are successful. More than half of the women are under 30 years of age, but only a quarter of the men. The younger the person, the less apt he is to succeed. Only one out of every six men under 25 who attempt self destruction is successful, whereas at ages 50 and over the ratio is two out of three. Three fourths of the women use poison, which is designated as the least efficient method. Men are more inclined to select violent methods, such as drowning, shooting, hanging or jumping from high places. In many cases it is difficult to determine the motive of suicide, but from what information is available it would appear that ill health, domestic troubles, financial difficulties and despondency over life in general are the most frequent reasons. The efforts that have been made by social and medical agencies to prevent suicide seem to have produced little effect, but it is suggested that "a well organized and concerted program can do much to prevent this needless loss of life."—*J.A.M.A.*, 117:61 (July 5) 1941.

NEWS OF THE BRANCHES

KENWOOD-HYDE PARK

Thanks to vacation cards and letters we have plenty of news this issue. A great deal of activity on the part of our president and the program committee chairman has been observed and a few hints have been dropped that in addition to the regular program at our first meeting a real surprise and treat is to be expected. Watch the next issue of this column for further developments. Please note that our first regular meeting has been postponed to the second Tuesday, October 14 . . . Jim Lynch has left for another recordbreaking tour of the West . . . Tom Humble is spending three weeks trying to break that 82 he shot at Kenwood's meet . . . Bob Pinkerton reports that his throat is much better and that his voice is gradually improving . . . Howard Strange phoned that Otto Mast has also taken his private pilot's examination . . . Ernie Borgerding has limited his practice to orthodontia and is now associated with the office of Howard Strange. Now if only Otto Mast can get someone to take over a portion of his practice, the two aerial cavaliers will be cross-countrying . . . On August 4 C. L. Cloes and wife left for an auto tour of the West by way of the Bad Lands and Black Hills. When about to enter Estes Park, Colorado, a message was received of the death of his father in St. Thomas, Ontario. Leaving Loveland, Colorado, at 11:00 a.m. Saturday, August 9, they arrived in Chicago at 5:00 p.m. Sunday and left at 5:00 a.m. Monday for Canada. When at a standstill, waiting for a spotlight to change at the outskirts of Gary, Indiana, a car from Berrien Springs, Michigan, driven by a 19-year-old boy and traveling about 40 miles per hour, smashed into the rear end of their car and they narrowly escaped being killed. The back end of their new Nash car was demolished and they had to continue their journey by train . . . The

H. A. Honoroff family and son, Harold Honoroff, are spending a few weeks fishing on the beautiful Manitowish waters in Wisconsin . . . Saturday Howard Strange received a communication from Grover Schubert from New York City: "I have lost Chris Davidson, (Jr.). He followed me home from the golf tournament, and we stopped in a few places, then he was going to follow me in his car to another joint. Now I have been driving at top speed over turnpikes between Pittsburgh and Allentown, Pennsylvania. Made 98 m.p.h. I have waited and looked back, even went up to the Empire State Building, but no sign of Chris Davidson, Jr. I give up. I called up George Dolby, and he sends his best to all the boys and wants to know if Al Drew has writer's cramps. I'll be seeing you."—*Ralph N. Sappe, Assitant Branch Correspondent.*

WEST SUBURBAN

Two nice cards arrived from Mae Arado who is down in Mexico on the first stop of a circle tour of the West . . . We were glad to see R. Hinrichs at the Round Table after two months in Mexico. If you can corner Rud, get him to tell you of his experiences down there . . . Last week Mr. Howard English showed a motion picture that dealt with life situations that a man and his family can run into . . . Foster Robeson, who is doing a nice job of supplying us with news items, is off for Bemidji, Minnesota . . . L. W. McNamara is flying to his home town, Watertown, South Dakota, this week . . . George Welk and family are back from northern Michigan and the Arnold Bretts from an auto trip around the lake . . . Marshall Milnarik has gone up to Canada to the Lake of the Woods after some big ones . . . Harry Von Der Heydt was almost caught by a big muskie that pulled him out of the boat. Luckily his son Carl, our newest

dentist, extracted him from the cold solution much to Mrs. Von's relief . . . Joe Voita and John Dumelow are back from Harbert, Michigan, where their families are spending the summer . . . Dick Anderson made an appearance at the Round Table last week after returning from a nice vacation in Yellowstone Park . . . Jim McCoy was very perturbed about having to take a bus to the meeting Tuesday . . . Bernie Siegrist is dashing madly back and forth to LaGrange where he is checking on the contractors who are building his new home . . . Major Mulholland was home on a short furlough and sends his best regards to all his friends. He reports that Ed Vonesh is down in Arkansas taking part in army maneuvers . . . The prize of the month for long distance vacations goes to Paul Swanson, our confirmed bachelor, who is basking on the beach down in Honolulu . . . See you Tuesday.—*Joseph M. Lesztina, Branch Correspondent.*

NORTHWEST SIDE

Too much of a good thing can be many times worse than not enough. This is the situation in which your correspondent finds himself after having delivered himself of that none too gentle hint last issue on the various sources of news. Newt Cartwright is back at work after a little vacation at the hospital. Newt says it was for observation but perhaps he meant relaxation . . . That blonde is back in town, you know, the one that LaMar Harris squires around town every summer. Of course, if you insist on knowing, it's the grown-up daughter, but one would never know it by looking at La Mar . . . Persistence has had its reward, meaning that Charles Lombino has passed the New Jersey board and may be doing a reverse Greeley . . . Back west we go again with Walter and Mrs. Pendergast who are climaxing a trip through Glacier National Park and the Canadian Rockies with a visit to a former classmate, Dr. Leonard A. Jenkin at Great Falls, Montana . . . Joe Ulis has been the host to his brother-in-law who

is a member of the R.A.F. We may expect to get a real slant on the war now including a technical discussion on what makes an aeroplane go up, but most of us I suppose would rather hear what might make a full lower stay down . . . After that hair-raising experience that Cas Rogalski had last year with horse-drawn vehicles, he has apparently decided to find out what makes the ornery critters ornery. So to a dude ranch heads Cas. Results will be furnished in our next issue . . . Among those keeping the location of their vacations a secret are Tom Wright and Joe Zielinski. Not even a postcard to tell where they have been . . . Le Roy Kurth is sporting a new Buick . . . By way of one of our fellow correspondents we hear of more news about our members. Bob Steinmetz is taking the fatal step this Saturday and is then leaving with his bride for a trip through the Rockies . . . The branch officers are getting started early to prepare the fall program. At an officers' meeting the day was set for the first meeting of the new year. So, mark your book now, Friday, October 17, and even at this early day I am sure that Irv Neer will gladly accept your dinner reservation. His number is Palisade 4039. Do it now . . . And also a big hint to you who have to mark your books far enough in advance so as to be able to make the downtown meeting. D. M. Hodgman, Chairman of the Monthly Meeting Program Committee, has really rung the bell with the procuring of George Crane for the October Meeting.—*Ben Davidson, Branch Correspondent.*

SOUTH SUBURBAN

Since the last issue of THE FORTNIGHTLY REVIEW, which I hope you have all read with much interest, I have been able to get some of the boys to tell me about themselves . . . Our immediate past president, Neil Kingston, has left for the state of New York with his family to be gone for two weeks . . . Mrs. Scanlan, wife of Tommy, has presented him with a seven and one-half pound baby girl born on

August 10. At this writing, mother and child are doing very nicely. We will be waiting for the cigars at our opening meeting Tommy! . . . We express our sympathy to LeRoy Rowland; his brother, J. F. Rowland, south side pharmacist, passed away the first week in August . . . Many of the boys are back from their vacations and look happier and healthier since their return, "but is it ever hard to get back to work!" Our program committee, under the good supervision of Luther Hughes, is beginning to function. It is a little early to think of meetings as yet, but work must be started on programs because we all hope for a very successful year . . . While we are on this subject, will say our first meeting will be on October 7, the first Tuesday of the month . . . I certainly appreciate all the help you have given me to make this column. Show the right spirit by keeping it up.—*L. C. Holt, Branch Correspondent.*

ENGLEWOOD

Now that the vacation period is on its last legs, we can begin to give some thought to the approaching season when dentistry again will occupy front row and center, which brings up the point that our branch is starting the year off with a bang come September 9. The boys on the program committee have arranged to have Drs. Samuel Saletta and Joseph E. Schaefer give us some ideas from their respective fields. Dr. Saletta is to speak on "Drugs and Chemicals in Dentistry and Their Allergic Effect on the Patient." He will also discuss focal infection. Dr. Schaefer will discuss "Injuries to the Hard and Soft Tissues of the Head" and will use slides to illustrate the types of corrective appliances to be used and other high-lights of his talk . . . Dentistry must be a prosperous profession if the extensive travels of its members is an indication. Ben Jostes and Ev Shissler went after the big ones in Lake of the Woods and although the muskies couldn't see them, they reported a fine time . . . Jack Thompson tried his luck in north-

ern Wisconsin as did Peter Christensen and Sam Rabishaw, who by the way has remodeled his office this summer . . . George Runyan also spent his vacation in Wisconsin where he met a professor of character analysis who gave him the low-down on collection problems. Perhaps the program committee might be interested . . . Gus Solfronk reports that the lake trout in Lake Wawon were biting. Your correspondent suggests Colorado and its mountain rainbows for the ideal vacation . . . Ralph Rudder has been commuting weekly to his place at Hudson Lake, as has Herb Ray to his at White Lake . . . Harold Hayes and Bill Rennie have moved into the South Shore building; they expect to show us down here how it's really done . . . The branch extends its best wishes to Isadore Goldberg and his bride, who have just returned from their honeymoon . . . Congratulations to Ed Glavin—it's a baby girl. There should be a few cigars around September 9 . . . The south town study club will resume its meetings on September 18. The program will be announced later . . . Let's all plan to be on hand at the first branch meeting. Call Sam Rabishaw at Hemlock 4551 for dinner reservations. The program will be excellent and there should be plenty of golf and fish stories to more than go around. Remember September 9.—*C. D. Cory, Assistant Branch Correspondent.*

WEST SIDE

Irving J. Chrastka just returned from a vacation at Eagle River, Wisconsin, where he did some fishing and took motion pictures. Irving is building a log cabin on Cranberry Lake, an Eagle River chain, with his own hands. Proof? Caloused hands! . . . H. C. Lee and his wife are spending a three weeks' vacation at St. Thomas, Canada. They will return September 1 . . . Fred N. Bazola, fresh from a Canadian vacation with some of his druggist cronies, will return there again in another two weeks. The place is Sioux Lookout, about 200 miles northeast of Lake of the Woods, Can-

ada. Some intensive fishing will be done with a feather and a pair of forceps. Is the feather to tickle them, Fred? But why the forceps? . . . A. F. Stark has been spending an ideal summer with his family at Lake Geneva by taking weekend jaunts for some fishing and rest . . . A fishing story from Wisconsin, that cannot be topped was narrated by Henry Melichar. He caught a 22-pound muskie that he used for mere bait for the one that got away. In the tussle with this giant, it towed the boat toward shore and tossed Henry out on the beach tired and disappointed. Membership to the Liar's Club has been awarded with a good chance for their annual prize . . . Franklin J. Nienstedt, summer sojourning with his family at Delavan, Wisconsin, returned on August 25 from a restful vacation, bringing with him some prize-winning tomatoes . . . The wife of William Serritella blessed his household with the birth of a baby girl. Bill is now the proud father of three girls and one boy. Baby and mother are doing well . . . George C. Barnes for two weeks will have his address changed to Bemidji, Minnesota, where he will vacation and do some fancy fishing . . . William R. Gubbins has lost himself somewhere in the wilds of the state of Michigan . . . Our illustrious branch correspondent, George F. Vogt, from August 23 to September 2 will be at a summer resort about 7 miles from Dowagiac, Michigan. Here he will do some plain and fancy loafing, sight-seeing in the vicinity and entertain his little daughter, Joanie.—*Herman Nedved, Assistant Branch Correspondent.*

NORTH SIDE

Sailing has provided entertainment and vacations for several North Side dentists this year. Edwin Reinholtzen has had many happy hours on his new yacht which he moors in Montrose Harbor. A card from Bill Redlich tells us of his cruise aboard his yacht, *Auf Wiedersehen*, from Chicago to Milwaukee, Sheboygan, Sturgeon Bay, across the lake to Point Betsie, Charlevoix, Mackinac Island

and back to Charlevoix where he seems to have anchored. Some of the boys enjoyed the sky-blue waters of Lake Michigan last Thursday night on O. A. Helmer's boat . . . George Mullen has bought a house in Evanston . . . Because of a bicuspid that slipped when it was extracted, Joe Laskowski is going around with a bandaged eye . . . Robert Kent has returned from Minnesota where he was successful with his fishing . . . Using a crowbar, thieves broke into Ray Cooke's office while he was at lunch and made away with \$50.00 worth of gold. Such an incident brings to mind the fact that the supply houses will hold our stock of gold and deliver it as needed . . . Bob Hasterlik enjoyed a week-end at Oconomowoc, Wisconsin. Herb Boman is at his summer home at Sturgeon Bay. Paul Wells is spending some time with his boyhood chums in Vermont . . . Instead of the conventional vacation, Johnny Boodin has chosen to take his in installments and is working on his golf game. The results are gratifying, he shot an 81 this week. It won't be long now when John will be in the 70's and playing in fast company . . . A card from Harry Denen tells us he is giving his patients a rest and spending the time at Muskegon, Michigan . . . Bernard Rabin reports the weather cold but pleasant at Minaki, Ontario. Corwin Funkey is also among those missing. Lawrence Etu is just back from a month's vacation spent around Copper Harbor, Michigan. John Lane is in Montreal, Canada, visiting his father . . . A. J. McCambridge is making a nice recovery from his annual golf game.—*Roland A. Weber, Branch Correspondent.*

NORTH SUBURBAN

Leonard McEvoy did a classic bit of reporting on the Branch golf tournament, so maybe it's just as well that your correspondent was taking a bit of vacation at the time . . . Any of you who wish to take in the Chicago Dental Society outing at Medinah on the 10th, get in touch with us. Several golfers

have already signified their intentions of going and it wouldn't take much effort to get about 4 or 5 foursomes from North Suburban . . . The Annual Medical-Dental Tournament, sponsored by the Evanston physicians and dentists and played for the Carlson Building Cup, will be held at Mission Hills on Wednesday, September 17. Call Earle Bommerschein or Bill Mayer for reservations . . . And while on this subject of golf, be it known that the Hole-In-One-Club has a new member. Ed Robbins is the lucky guy, getting an ace on North Shore's 167 yard hole. The loot isn't as great as it used to be for feats of this kind. There was a time when the golfer got a year's rations of breakfast food, soft drinks and the like and enough balls and equipment to last a couple of seasons. Now all he gets is a dozen golf balls, a case of beer and a pretty little medal to wear on his watch chain, if any; hardly worth the effort . . . The West Coast and Jasper seem to be the vacation spots of choice this year. Roger Huntington, just to be different, proceeded north to Lake Louise and thence south to the Mexican border taking in various points of interest along the way . . . John McGuire headed straight for San Francisco and then to Banff and Lake Louise . . . Hal Chason, despite warnings appearing in this column a few weeks ago, crept out upon the

glacier at Lake Louise intent upon capturing the glamour of an early morning sunrise. He got the rise, all right, but not the kind he was looking for. While snapping the shutter of his camera there came a realistic rumble, the boulder upon which he was standing seemed about to take off and Hal admits to doing the next hundred yards in something over nothing flat . . . Jim Carter and Willard McEwen fished their way around, so took a bit longer to make the circuit . . . Bill Murray took his family to California when he could have gone fishing with Earle Bommerschein up at Trout Lake. That's what the Romans might have called, *curiosa felicitas* . . . O. B. Davy is doing a Corrigan in reverse. O. B. could always be depended upon to visit his old haunts down East. But this year, contrary to the habits of a lifetime, he steered his car west and is now exploring the Yellowstone, Glacier and Rocky Mountain Parks. He probably will be found panning gold before he gets through . . . Stan Richards took his vacation on a hospital cot. Stan had his appendix out and, from latest reports, is doing right well without it . . . Glen Heilemann is basking in reflected glory these days. Glen's brother, Ken, is a top-notch amateur golfer and will be seen in action at the Chicago Open at Tam O'Shanter.—James H. Keith, Branch Correspondent.

PALMER HOUSE TO BE 1942 MIDWINTER MEETING HEADQUARTERS

(Continued from page 6)

February 23rd to 26th, 1942. Our superior facilities, our unsurpassed cuisine, our every energy will go toward making your meeting the finest in all your laudable history.

"We, at the Palmer House, enthusiastically welcome the Midwinter Meeting of the Chicago Dental Society."

Early in September officials of the Society and the Palmer House will meet for a detailed discussion of Midwinter Meeting plans. Progress will be reported from time to time in these pages.

Impaired Judgment from Sulfanilamide: Many therapeutically effective drugs influence the physiologic mechanisms, psychomotor reactions or judgment of persons who take them. When given to patients at rest in bed such drugs have been established as beneficial to the patient and, of course, harmless to other persons. Under some circumstances, however, drugs may have effects po-

tentially dangerous to both patient and community.

Patients should be cautioned preferably to stay at home and rest while taking the drug and not to drive an automobile, make any important decision or sign any papers while the drug is being administered.—J.A.M.A., 116:2279 (May 17) 1941 via. N. J. D. Soc. J., 12:49 (July) 1941.
